PROFESSIONAL EXPERIENCE

Media Buyer & Project Manager — Dawema, Tunisia	Oct 2025 – Present
<i>E-commerce platform empowering vendors with marketing & delivery solutions.</i>	
- Managed \$11K+ in Meta Ads spend across 50+ campaigns and 30+ products to support the platform's e-commerce launch and growth (May–Oct 2026). - Generated 4,435 tracked purchases at an average cost per purchase of ~\$2.48 and a blended purchase ROAS of 8.0x (~\$88K in attributed revenue). - Scaled winning products profitably: a bag-pack CBO campaign reached 19.2x ROAS on \$1.15K spend (734 purchases at \$1.57), and a clothes-dryer ABO campaign hit 11.3x ROAS on \$1.7K spend (575 purchases). - Delivered 6.6M impressions and 1.5M reach at a \$1.67 CPM, with a 3.5% CTR, a \$0.05 CPC and 138K link clicks; ran Messenger campaigns at \$0.11 per conversation started. - Ran a structured testing process — ABO to test products, angles and creatives, CBO to scale winners — cutting underperformers quickly and reallocating budget to top performers. - Produced campaign creative in-house — filming and editing short-form video with CapCut, and generating AI images and UGC-style videos — to fuel a continuous creative-testing pipeline. - Led a cross-functional team of 15 across marketing, delivery and technical functions, contributing to a 22% overall increase in platform sales.	
Full-Stack Developer — LMobile, Tunisia	Jun 2023 – Mar 2025
<i>Technical foundation now applied to landing page development, campaign tracking, and creative execution.</i>	
- Built and optimized data-driven web applications (Angular, KnockoutJS), improving application responsiveness by 25% — skills now applied to fast, independent landing page and tracking setup. - Documented processes and led code reviews, developing strong cross-team communication and quality-ownership habits directly transferable to campaign reporting and optimization.
